PROJECTS

- Our recent projects have showcased our expertise in various domains. Firstly, we designed a visually stunning website for "Arch-tech Studio," featuring impressive architectural designs.
- We also developed efficient and user-friendly shopping web applications, emphasizing website performance.
- Our team ventured into the travel industry, building a responsive web application, "Booking.com," using Bootstrap5, allowing users to browse through a vast range of hotels.
- In addition, we created a polished "Portfolio web application" using Bootstrap5, React, HTML/CSS, and JavaScript, highlighting our technical prowess.
